The Foundry - This venue, restaurant, and bar formerly known as the "The Melting Point" is my favorite venue in town to see a show. Many great music artists come through town to play this venue. The cafe style and balcony seating make for an intimate viewing environment. The food and drinks are delicious as well! Try and catch **Rabbit Box** at The Foundry, too, for a unique storytelling event.

40 Watt Club - This iconic venue has been an Athens favorite for more than 30 years and has hosted incredible artists from all over the world. It's such a personal experience with the artists onstage.

Lyndon House Arts Center - A multi-use center with camps, exhibits, festivals, and other events. Check in to see what's happening.

Ciné - An enchanting cinema and lounge with a great selection of films. I especially love how many different independent movies they choose to show. Grab a cocktail, beer, or coffee from their bar and enjoy the show! Check out the **Ciné Summer Film Series** if you're in town for the summer!

Stay

The Graduate - When planning to stay in Athens, I would highly recommend The Graduate. This hotel is beautifully designed and offers spa services. You can also easily catch a show next door at The Foundry!

Creature Comforts Brewing Co. - An incredibly cool brewery that is perfect for hanging out with friends in the amazing interior or in the side lot with live music. The beer is top-
